

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Alexander Arbieto**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“On m -minimal diffeomorphisms”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Jonathan Brown**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:
“Purely infinite groupoid C^* -algebras”

Florianópolis, December 12, 2015.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Patrícia Cirilo**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Ergodicity and elliptic dynamics in surfaces of infinite measure”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Alexandre Baraviera**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Cohomologous potentials for the two dimensional shift”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Vincent Delecroix**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Diagonal changes: a geometric generalization of continued fractions”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Artur Lopes states**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:
“Geometry and Calculus of Holder Gibbs”

Florianópolis, December 12, 2015.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Romulo Vermersch**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Topological Dynamics of Generic Maps of the Cantor Space”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Zahra Afsar**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“KMS states on C^* -algebras associated to a local homeomorphism”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Carlos Gustavo Moreira**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:
“Fractal dimensions and complexity of infinite sequences with positive entropy”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Rafael Rigão Souza**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:
“Ergodic and Thermodynamic Games”

Florianópolis, December 12, 2015.

A handwritten signature in blue ink that reads "M. Sobottka".

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Eduardo Garibaldi**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Selection of ground states for double-well type potentials”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Daniel Smania**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Generalized Weierstrass functions”

Florianópolis, December 12, 2015.

A handwritten signature in blue ink that reads 'M. Sobottka'.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Johan Öinert**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:
“Some recent results on graded and filtered rings”

Florianópolis, December 12, 2015.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Christian Mauduit**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“The subsequence of Thue-Morse sequence along squares is normal”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Fernanda Figueiredo**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“The Gurevic entropy for Markov shifts”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Luiz Gustavo Cordeiro**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Full Semigroups of Equivalence Relations and Soficity”

Florianópolis, December 12, 2015.

A handwritten signature in blue ink that reads 'M. Sobottka'.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Danilo Antonio Caprio**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Fibonacci adding machine and fibered Julia sets”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Ali Messaoudi**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Fibonacci adding machine and fibered Julia sets”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Eduardo Silva**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015 and presented the following work:

“Irregular and Semi-regular Tilings of the Hyperbolic Plane”

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Elisângela Düsman**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Eduardo Gomes**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Ricardo Misturini**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

A handwritten signature in blue ink that reads "M. Sobottka".

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Celso Antunes**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

A handwritten signature in blue ink that reads "M. Sobottka".

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Viviane Beuter**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee

II Workshop on Dynamics, Numeration and Tilings

We hereby certify that, **Tadeu Zavistanovicz de Almeida**, participated in the II Workshop on Dynamics, Numeration and Tilings, held at Parador da Cachoeira Hotel – Florianópolis, December 11 and 12, 2015.

Florianópolis, December 12, 2015.

M. Sobottka

Marcelo Sobottka
Organizing Committee
